

Topog-E® AJAX gaskets

MATERIAL COMPOSITION AND APPLICATION

Even though you can no longer buy a new Ajax Boiler, you can still get a new Ajax gasket. Topog-E, LLC offers a complete line of Header, Manway and Handhole gaskets for the Models WG/HN, WO/X, SN/SF/SA, WR and SR in non-stapled one piece construction. For added benefit, **Topog-E® AJAX** gaskets are produced utilizing the trusted and worldwide respected Topog-E® proprietary compound. The Topog-E® compound is specifically formulated to have excellent resistance to steam, hot and cold water in applications up to 180 psi and 380°F.

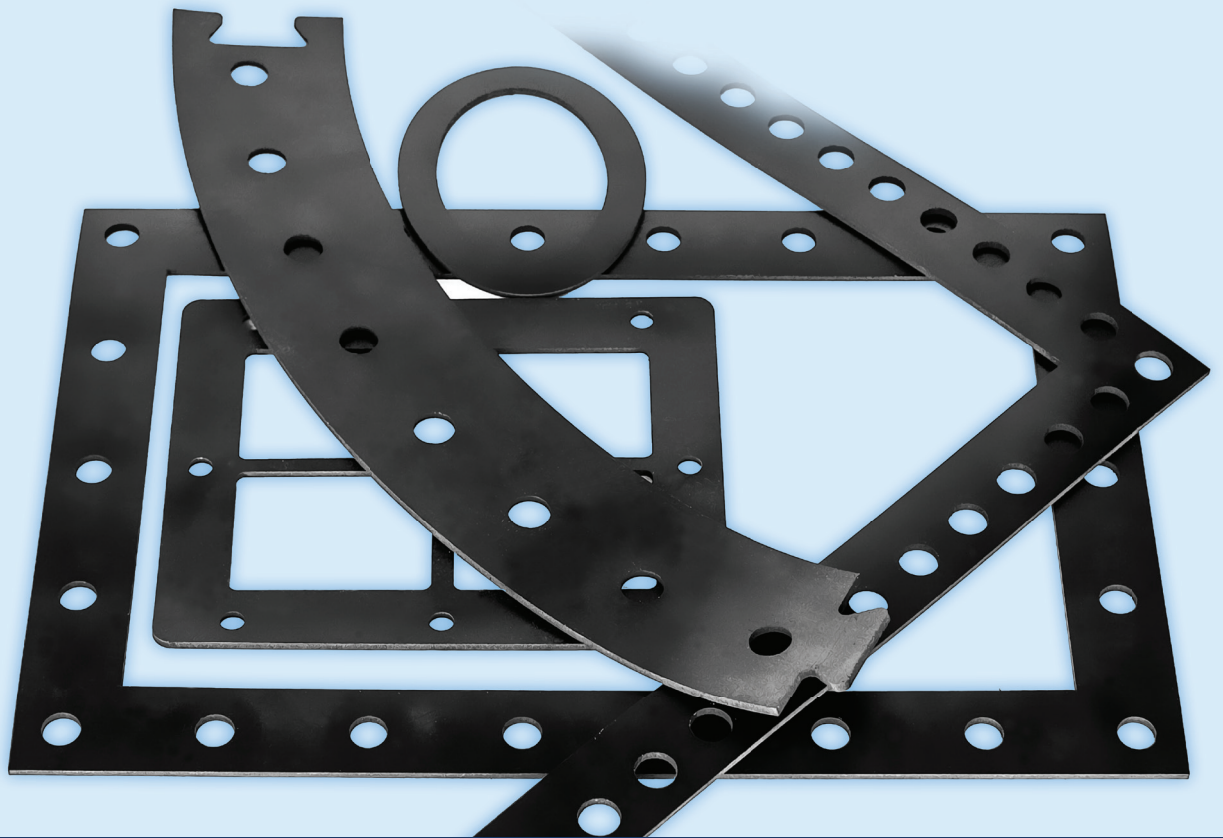

SHAPES

Header gaskets:
WG/HN, WO/X, SN/SF/SA, WR, HR, SR

Handhole & Manway gaskets
